FAQ

Q1, Who are you?

We are ODM/OEM manufacturer and an integrated solution provider of underwear for both domestic and overseas markets. We have a small (10 person) but professional service team focused on export. GM Mr. Chen has almost 20 years' experience for export business.

Q2, What's the key differences of your team comparing with other teams?

We insist on client satisfaction oriented. Excuse is always easy to find but useless to solve problems. We always choose the most simple and constructive solution when problems happened, especially when the problems probably result in loss for clients.

Q3, Which kind of products are your main strength for export market?

Our main projects for clients by now are regular/OEM/ODM period panties, OEM/ODM men's boxer briefs, men's shorts and plus size bras. We can provide a loop-locked solution from custom design (style/fabric/size), production, packaging to delivery according to client requirements.
